CompuTrail, Inc. "For the Typing Quality You Deserve"

Fast, professional, accurate typing is essential for the smooth operation of many businesses and professions. Correspondence, contracts and manuscripts must be letter-perfect and final copies must be produced quickly. For any typing needs, be they business-related, legal, academic or personal, **CompuTrail** is the typing service in this area to contact. They are located at 900 Rahway Avenue, Suite 52-B in Avenel, phone **634-5775**; for Fax, phone **634-9459**.

CompuTrail, established for 10 years and with 20 years experience backing them, handles a variety of typing assignments: manuscripts, invoices, reports, mailings, newsletters, business proposals, CPA statistical work and other special projects. They can transcribe from cassettes or through their fax service. Work assignments are done on *IBM* computers and printed on *Hewlett Packard*—LaserJet Series II printers with various font cartridges available. Both small businesses and large corporate accounts are welcomed. All work is 100% guaranteed. In addition, PC consultant services are also offered. They can set-up computer systems and provide staff training as well.

CompuTrail will type and proof read your material and have it ready when you need it. Pick-up and delivery services are also offered. Professionalism is their trademark. The services offered by **CompuTrail** are ideal for companies, for which it doesn't pay to hire a full time secretary, or for companies involved in special projects that would otherwise disrupt its staff.
